Top 10 Grant Reasons		Top 10 Not Grant Reasons	
Release is compatible with public safety Stable Release Plan Infraction free for at least the last 24 months Demonstrated rehabilitation Excellent institutional adjustment Medical condition Successful participation in correctional and vocational programs Age at the time of the offense No victim opposition Infraction free since incarceration		Release at this time would diminish seriousness of crime The Board concludes that you should serve more of your sentence prior to release on parole. Serious nature and circumstances of your offense(s). Extensive criminal record Your prior failure(s) and/or convictions while under community supervision indicate that you are unlikely to comply with conditions of release. History of substance abuse. Considering your offense and your institutional records, the Board concludes that you should serve more of your sentence before being paroled. You need further participation in institutional work and/or educational programs to indicate your positive progression towards re-entry into society. History of violence. No Interest in Parole
